INSTRUCTIONS

Under Title 10 United States Code Section 1552, Active Duty and Reserve Component Service members, Coast Guard, former Service members, their lawful or legal representatives, spouses of former Service members on issues of Survivor Benefit Program (SBP) benefits, and civilian employees with respect to military records other than those related to civilian employment, who feel that they have suffered an injustice as a result of error or injustice in military records may apply to their respective Boards for Correction of Military Records (BCMR) for a correction of their military records. These Boards are the highest level appellate review authority in the military. The information collected is needed to provide the Boards the basic data needed to process and act on the request.

1. All information should be typed or printed. Complete all applicable items. If the item is not applicable, enter "None."
2. If space is insufficient on the front of the form, use the "Remarks" box below for additional information or attach an additional sheet.
3. List all attachments and enclosures in item 9. Do not send original documents. Send clear, legible copies. Send copies of military documents and orders related to your request, if you have them available. Do not assume that they are all in your military record.
4. The applicant must exhaust all administrative remedies, such as corrective procedures and appeals provided in regulations, before applying to the Board of Corrections.
5. ITEM 5. State the specific correction of record desired. If possible, identify exactly what document or information in your record you believe to be erroneous or unjust and indicate what correction you want made to the document or information.
6. ITEM 6. In order to justify correction of a military record, it is necessary for you to show to the satisfaction of the Board by the evidence that you supply, or it must otherwise satisfactorily appear in the record, that the alleged entry or omission in the record was in error or unjust. Evidence, in addition to documents, may include affidavits or signed testimony of witnesses, executed under oath, and a brief of arguments supporting the application. All evidence not already included in your record must be submitted by you. The responsibility of securing evidence rests with you.
7. ITEM 8. U.S. Code, Title 10, Section 1552b, provides that no correction may be made unless a request is made within three years after the discovery of the error or injustice, but that the Board may excuse failure to file within three years after discovery if it finds it to be in the interest of justice.
8. ITEM 10. Personal appearance before the Board by you and your witnesses or representation by counsel is not required to ensure full and impartial consideration of your application. If the Board determines that a personal appearance is warranted and grants approval, appearance and representation are permitted before the Board at no expense to the government.
9. ITEM 11. Various veterans and service organizations furnish counsel without charge. These organizations prefer that arrangements for representation be made through local posts or chapters.
10. ITEM 12. The person whose record correction is being requested must sign the application. If that person is deceased or incompetent to sign, the application may be signed by a spouse, widow, widower, next of kin (son, daughter, mother, father, brother, or sister), or a legal representative that has been given power of attorney. Other persons may be authorized to sign for the applicant. Proof of death, incompetency, or power of attorney must accompany the application. Former spouses may apply in cases of Survivor Benefit Plan (SBP) issues.
