

Biography

Hollie K. Caldwell, PhD, RN

As a USAF veteran and healthcare professional, I am very interested in the care of US veterans. I am honored to serve on the Colorado Board of Veteran Affairs where I strive to use my knowledge of health, healthcare, and social services to assist in the evaluation of the Veterans Assistance Grants and Veterans Trust Fund. Colorado is very fortunate to have so many organizations with programs to serve our veterans in need. As a disabled veteran and woman, I feel I bring a unique perspective to the Board and value the ability to serve all veterans throughout Colorado.
