

Your household furniture can help a family in need

Providers' Resource Clearinghouse, a local non-profit organization, works with hundreds of other charity organizations throughout the metro area to supply furniture and household items to individuals and families in need. Your donation will go directly to them for free. PRC will come inside your location to pick up your items for no charge! We are Colorado's Furniture Bank and have been serving the community since 1993.

The Most Needed Items Include:

- Couches and loveseats
- Chairs and coffee tables
- Dining room furniture
- Mattresses and box springs
- Dressers and nightstands
- Kitchenware items

We have professional crews that will pick up almost anything you have that is not broken or needs repair or is a hazardous material, please have any small items in boxes or bags.

Help someone today with your unused items!

Call today to donate or for more information.

Our drivers will provide you with a tax donation receipt
